The Houston Healthcare Osteopathic Family Medicine Residency Program in Warner Robins, Georgia is seeking to add one to two Family Medicine physicians to our Faculty.

About Our Program
Our program includes training at Houston Medical Center, a 237-bed facility, and the Pavilion Family Medicine Center, an outpatient Family Medicine practice. We are a 6-6-6 program that began accepting residents in July 2012 and are working to develop a premier training program in middle Georgia. In addition to the program director, the Residency Program currently employs three full-time Family Medicine Physician Faculty.

Responsibilities
- Teaching on the inpatient service
- Serving as a Preceptor in the outpatient practice – Pavilion Family Medicine Center
- Developing outpatient practice with 2 to 3½ days of office time at Pavilion Family Medicine Center
- The opportunity to develop as a physician educator by regularly interacting with residents and medical students.

Benefits
- A collegial working environment
- Competitive salary
- 403(b) and 457(b) retirement programs
- Malpractice insurance with tail coverage
- The unique opportunity to shape the development of the residency program within a system that has full administrative support.
- Electronic medical records are utilized in both the inpatient and outpatient setting.

Our Community
Warner Robins is located in Houston County and is home to Robins Air Force Base, the largest employer in Georgia. The Houston County school system is known as one of the strongest in the state. Located 1.5 hours south of Atlanta and two hours to the coast, our location provides easy access to a wide variety of leisurely activities.

For more information about this opportunity, please contact Juliana Swan at (478) 218-1871 or jswan@hhc.org.

About Houston Healthcare
Houston Healthcare continues to serve one of the fastest growing counties in the state of Georgia. Houston Medical Center, a 237-bed facility, and Perry Hospital, a 45-bed facility, are dedicated to providing quality care to the communities we serve. Along with our two medical centers, Houston Healthcare operates The Surgery Center, Houston Heart Institute, Houston Lake Rehab, Pavilion Rehab, the Houston Health Pavilion, and three urgent care facilities – Houston Lake, Lake Joy and Pavilion Med-Stops. The Pavilion Family Medicine Center (PFMC) is home to the Residency Program where eighteen Resident Physicians provide care for the PFMC and Houston Medical, along with enhancing their knowledge and skills as a physician. We are proud of our accomplishments and awards, but it’s the 2,400 employees that make up our System that truly make a difference in the lives of our patients each day.
