

Physician Verification Letters

Emory Hospital Warner Robins and Emory Hospital Perry utilize a website to provide you with hospital affiliation letters for physicians, podiatrists, dentists, and allied health professionals.

<https://iresponse.mycactus.net/houstonhealthcareiResponse/> , should be used to log into the affiliation letter portal.

Follow the instructions for new users. Once login and password are established, enter and proceed to search for the provider. Locate provider and select name for producing a verification letter.

Emory Hospital Warner Robins and Emory Hospital Perry will no longer provide individual verification letters for a provider who can be verified through the website. Requests received for such will be returned to the requested entity. **Therefore, please check the website before sending a verification request.** If the practitioner is not listed on the website, please feel free to email medicalstaffoffice@hmc.org or fax 478-975-6914 your request.

If you are requesting information for interns or residents, please contact the Medical Education Office at (478) 542-7815 or email medicaleducation@hmc.org.

Please note, effective 6/1/2025, Emory Healthcare and Houston Healthcare completed a member substitution and are now Emory Healthcare dba Emory Hospital Warner Robins and Emory Hospital Perry.

Please note, effective 11/01/2022, Houston Healthcare combined the medical staff for our Warner Robins and Perry locations, so you may receive one letter and possibly two different initial dates.

Thank you in advance for your cooperation.
