*Our criteria has been adjusted due to federal and state shortages of the Regeneron medication supplies.*

congenital anomalies)

- Medical-related technological dependence (e.g., tracheostomy, gastrostomy, positive pressure ventilation not related to COVID-19)

*\*In addition, other medical conditions or factors may also place individual patients at high risk, and authorization of Casirivimab + Imdevimab under the EUA is not limited to only those medical conditions or factors listed above. Health care providers are advised to consider the benefit-to-risk of an individual patient.*

*\*\*\*Vaccination status has no bearing on eligibility to receive Regeneron therapies.*

Positive COVID test results and physician orders may be faxed to: (478) 975-6776
